

Multifunctional, HD display

ViewSonic's 42" wide-screen N4200w LCD TV guarantees impressive viewing no matter if for video entertainment in the home, graphic-intensive computer applications in the workplace or as a wide-screen entertainment display for public spaces. ADVANCED DNX™ VIDEO SIGNAL PROCESSING combines with a 1600:1 contrast ratio to produce superior picture quality. HDMI/HDCP DIGITAL INPUTS ensure the best signal possible from DVD players, set-top boxes, gaming consoles, TV/video processors and other electronic inputs. The N4200w is wall-mountable and features detachable speakers – making it surprisingly economical with space despite its large screen size. This powerful performer is an excellent choice as the centrepiece of home theatre systems or for use as a commercial display for infotainment solutions. It is sure to add a touch of style to any environment.

N4200w

42" WIDE-SCREEN

HD-READY LCD TV WITH DNX™

IMPRESS YOUR FRIENDS, IMPRESS YOURSELF

> Experience wide-screen HDTV

Enjoy a wide-screen theatre experience and high-definition¹ picture quality with this display's 16:9 aspect ratio, HD ready capability, and wide viewing angles.

> DNX™ image processing technology

DNX image processing provides superior picture quality through precision deinterlacing, 10-bit colour processing, advanced scaling and Pixelboost for smoother, sharper full-motion video with incredibly rich colours.

> Vivid graphics, clear text, stunning TV

Ultra-high brightness of 500cd/m² (typ.), high contrast ratio of 1600:1 (typ.), and 1366 x 768 optimum resolution provides vibrant video and crisp data images on the desktop or in the living room.

> Expand your options with plug-and-play connectivity and universal remote control

This HD ready, LCD TV provides the ultimate viewing experience with plug-and-play, high-end connectivity for HD set-top boxes, DVDs, game consoles, camcorders and other electrical components.

> OptiSync® technology featuring HDMI

Add versatility to your LCD TV with support for HDMI with high-bandwidth digital content protection (HDCP) and analogue (VGA) signals, plus component, S-video, composite, and video input.

> Powerful high-fidelity audio

It's all accompanied by a detachable ultra-high-fidelity 20 watt SRS TruSurround audio system that completes the entertainment experience.
